1.2.2 The school has identified the following legal bases for processing CCTV footage which will include personal data; UK GDPR Article 6(1)e (public task) and Article 9(2)(g) (substantial public interest) and Data Protection Act 2018 Schedule 1, paragraph 10 (preventing or detecting unlawful acts) and paragraph 36 processing criminal category data for purposes of substantial public interest.

3. Statement of intent

1.3.1 The School will seek to comply with the requirements of the Data Protection Act ("the Act"), the Information Commissioner's Guidance on Video Surveillance and the Surveillance Camera Commissioner's Code of Practice.

1.3.2 The School will treat the system and all information, documents and recordings obtained and used as personal data which are protected by the Act.

1.3.3 Cameras will be used to monitor activities within the school to identify criminal activity actually occurring, anticipated, or perceived, and for the purpose of securing the safety and well-being of members of the school community and members of the public.

1.3.4 Materials or knowledge obtained as a result of CCTV will not be used for any commercial purpose. Recordings will only be released to the media for use in the investigation of a specific crime and with the written authority of the police. In this case, the footage will be held in accordance with the School Retention Schedule.

5. Printed and Recording Media Procedures

1.5.1 In the event of an incident requiring footage from the system to be retrieved and stored the following procedure should be followed: -

- The details of the incident should be passed to the Headteacher, who will authorise the use of the system by an authorised user.

Staff are trained in security procedures and there are sanctions in place for any misuse of surveillance system information.				
Regular checks are carried out to ensure that the system is working properly and produces high quality and useful data.
