

Village 2s

Our new and exciting two-year-old provision

Your child deserves the best possible start in life; a start which will enable them to thrive and will provide them with a firm foundation for the future. We are delighted to offer your child an opportunity to begin their learning journey with us at Village Primary School, as we unveil our new and exciting two-year-old provision, 'Village 2s'.

Our school motto of, 'Explore, Dream, Discover' underpins every child's experience at Village Primary School. Like you, we at Village want all children to have access to a loving, safe and nurturing environment.

"At Village Primary School we ensure that each and every child in our care reaches their full potential. We are delighted to offer you the opportunity for your child to begin their learning journey with us as we unveil our new and exciting two-year-old provision."

Mrs Gill Ball, Early Years Foundation Stage Leader

As well as enabling children to explore, dream and discover, our provision is underpinned by three key principles:

Excellence

We strongly believe that every child is unique and we ensure that each and every child in our care reaches their full potential. Your child will flourish through the care and support of highly-skilled adults. Our provision, will provide a safe and stimulating environment where our youngest children can learn through play, exploration and being active. Your child will be assigned a key person who will be central to your child's wellbeing, sense of safety and belonging.

Opportunity

Your child deserves the best possible start, which will enable them to learn, to develop and to thrive. Our provision aims to enhance your child's development at this crucial and dynamic stage. Your two-year-old will make lasting friendships, gain new experiences and develop under the care, guidance and supervision of our dedicated school staff.

Partnerships

Children develop more rapidly during the first five years of their lives and it is vitally important that they receive the best possible education and care at this stage. Both children and parents or carers will become part of the Village school family and community in a nurturing and caring setting. Our custom-built provision will open in September 2022 and we are looking forward to working in partnership with you!
