

Village Twos

Welcome to Village Twos

Welcome to our Two Year Old Nursery class. From a child's very first day in 2 Year Nursery, all the way through to Year 6 we support children to make the right 'CHOICES' to enable them to grow into well-rounded, motivated individuals. We know this is such an important time in your child's school life, where routines are established and relationships are built between home and school. We will always do our best to work closely with you, to ensure that your child has a smooth start to their school career in such a way that you as well as the children feel comfortable, supported and respected.
